## Kindergarten Korner

(5 Years Old by Sept 1, 2024)

Join us for an hour filled with stories, poems, songs, letters, numbers, calendar activities and hands-on fun. Skills will be embedded in a weekly theme! Come and join us to see what Kindergarten is all about!

Instructor: Barb Garvey

**Times Offered: 9:00**

## Storybook Adventures

**(K-1)**

5 Years Old by Sept 1, 2024)

This hands-on class integrates literacy, art, and drama. We will focus on a favorite author each week and use wonderful stories as springboards for fun, developmentally appropriate activities that include art projects, singing, acting, and more!

Instructor: Barb Garvey

**Times Offered: 10:00**

## ABC Crafts (K-1)

Please join us to transform simple letters into amazing creations. The letter A becomes an alligator by using a variety of materials. We will make creations for each letter of the alphabet, upper and lower case. Letters come to life by using our sound power. Perfect for all learners; visual, auditory, kinesthetic and tactile. Don't miss this fun and creative class.

Instructor: Tammy Brenneman

Times Offered: 11:00

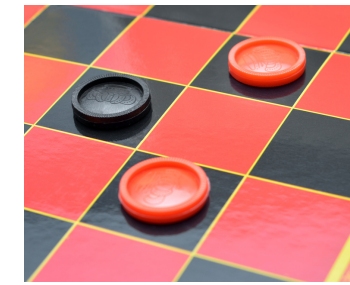

## Friendship Club (K-2)

In Friendship Club your child will engage in a variety of activities to learn how to recognize and manage emotions, develop positive relationships with their peers, and make responsible decisions. Each week we will have a new topic that engages students in collaborative challenges, reflective journal writing/drawing, and creative scenarios.

Instructor: Haley Strahler

Times Offered: 9:00, 11:00

## Game On! (K-2)

Students have fun playing board and card games, which they learn logic, strategy, math and sportsmanship. Some of the games that are included are checkers, Monopoly, Battleship, Rummikub, Yahtzee and many others. Students are also invited to bring their favorite games and share their expertise.

Instructor: Barb Garvey

Times Offered: 11:00

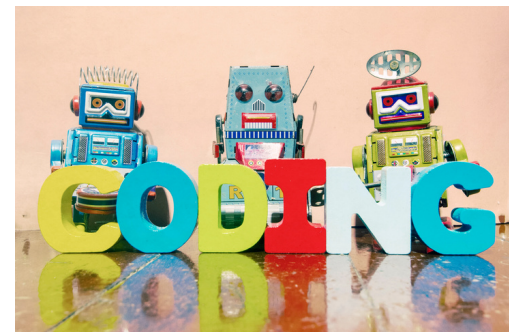

## Dance Around the World! (K-4)

Come join us for Dance Around the World! The kids will learn over 18 different traditional and cultural dances from Italy, Russia, Guinea, Kenya, India, China, and Mexico. Each week we will read and learn about the music, the dance, and then learn the steps.

Instructor: Haley Strahler

Times Offered: 10:00

## Exploration through STREAM 1/2

Together we'll read books (both fiction and nonfiction) and then explore what we read through science, tech, art, math, and even history. We'll build, create, play, and have fun with new concepts all summer.

Instructor: Kim Kanofsky

Times Offered: 11:00

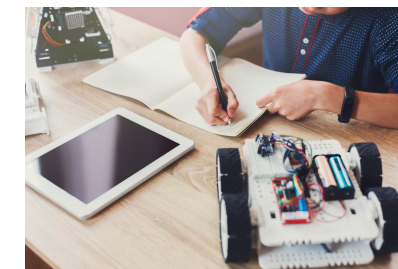

## Off With Their Heads...(1-2)

Scraps from your kitchen, that is! Avoid the Cicada Summer with Indoor Gardening! Grow plants from vegetables and fruit scraps. Start small seeds and large seeds from your kitchen scraps, and new plants from Tubers. Our indoor gardens will require us to notice and observe, which can awaken creativity and inspire artwork! Come create nature collage sun catchers, crowns of grass, and sprout houses!

Instructor: Val Smart

Times Offered: 9:00

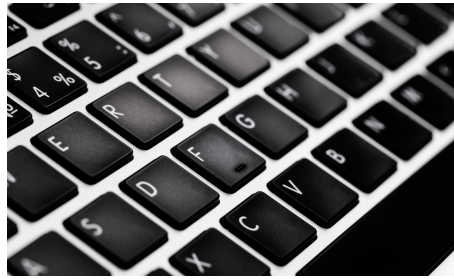

## STEAM + Coding 1/2

First and second-graders can learn about apples, bats, spiders, bees, and more through experimentation, art, math, engineering, and technology. We'll also spend several days using CODE.org to learn about block-based coding.

Instructor: Kim Kanofsky

Times Offered: 9:00

### Keyboarding Skills (2-4)

Have you ever dreamed of typing with your eyes closed! Efficient keyboarding has never been so important. This course will teach proper techniques, key stroking and fingering. Get ready to type like a pro!

Instructor: Tammy Brenneman

Times Offered: 9:00, 10:00

### Building Class (3-4)

Do you like to create things with fun materials? Check out the building class. Each week will focus on a different theme. Use different materials each day to make your vision come to life!!

Instructor: Kelly Tanglao

Times Offered: 9:00

### Crochet and Finger-knit! (3-4)

Learn to finger knit and crochet. We'll do a few projects, learn how to knit with fingers and to crochet with a needle. We'll have fun and build up our fine-motor skills!

Instructor: Kate Szostak

Times Offered: 9:00

### Off With Their Heads...(3-4)

Scraps from your kitchen, that is! Avoid the Cicada Summer with Indoor Gardening! Grow plants from vegetables and fruit scraps. Start small seeds and large seeds from your kitchen scraps, and new plants from Tubers. Our indoor gardens will require us to notice and observe, which can awaken creativity and inspire artwork! We will be pressing flowers, making birdhouses, and transforming pinecones.

Instructor: Val Smart

Times Offered: 10:00

### Pokemon Drawing Class(2-4)

Do you like to draw? Do you like Pokemon? If you answered yes to either question this is the class for you. Each week will focus on drawing different types of Pokemon. Daily activities include building a classroom community, learning about Pokemon, drawing Pokemon, and a Pokemon show and tell.

Instructor: Kelly Tanglao

Times Offered: 11:00

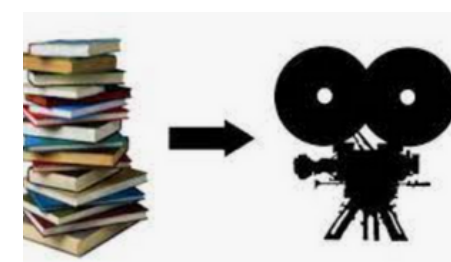

### STEAM + Coding (3-4)

Third and fourth-graders can join Mrs. Kanofsky to learn about optical illusions, crime scene investigation, probability and statistics, famous artists, oobleck, and much more this summer. We'll also spend time on CODE.org learning more about block-based coding and expanding on what students learned during the Hour of Code.

Instructor: Kim Kanofsky

Times Offered: 10:00

### Who did it better? Movie or book? (3-4)

Is the book always better than the movie? Let's debate! In this class read the book and then watch the movie. Decide which is better and why!!

Instructor: Kelly Tanglao

Times Offered: 10:00

### Unexplained Phenomena (3-4)

Explore unexplained mysteries! Research and discuss legendary places like Atlantis; mysterious monuments including Stonehenge; Crop Circles - are they from outer space; incredible creatures such as the Loch Ness Monster; and all that has vanished in the Bermuda Triangle! Use your imagination and creativity to write or draw what you think really happened.

Instructor: Val Smart

Times Offered: 11:00
